

Step-by-Step Art Tutorial: Create a Cityscape in the Style of Paul Klee

🎨 We'll use shapes and colours like Paul Klee to make a magical city!

You will need:

- A ruler
- A pencil and pen
- Colours, any media is fine
- Paper that suits your medium

Step 1: Draw Simple Shapes

Use a pencil to draw **squares**, **rectangles**, and **triangles**. These will be your **buildings** and **rooftops**.

Step 2: Add Windows and Doors

Use smaller squares and rectangles inside your buildings to make **windows** and **doors**.

Step 3: Outline in Black

Go over all your lines with a **black marker or pen** to make them stand out, just like Paul Klee did.

Step 4: Colour in Blocks

Colour each shape with **different colours**. Try using **soft, dreamy colours** — or go bold with **bright ones**! Watercolours or crayons work well.

Step 5: Add Details

Add **symbols**, **stars**, or **moons** in the sky, just like Klee sometimes did.
