

Arts Award Initiative Ltd – Monthly E-Newsletter July 2026

This month, we're delighted to showcase artwork created by three of our talented students, alongside artwork created by people who followed their Leadership Project tutorials.

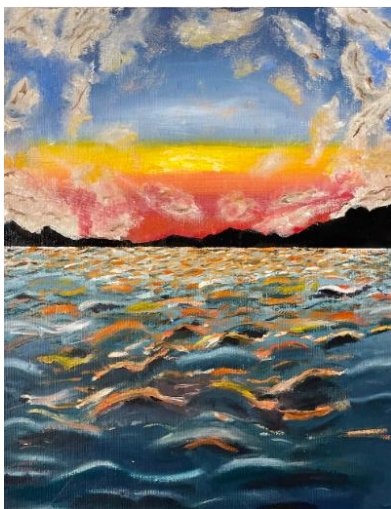

It's wonderful to see our students inspiring others through their creativity and leadership.

Firstly, two Silver Award students, who created amazing art themselves, and encouraged others to create art by making educational videos.

Also, at Bronze level, E took Marvellous Bronze Arts Award and created this amazing picture:

and their participants created lovely, marbled, clay trinket dishes

Don't forget that our annual sale starts on September 1st and lasts for a full month. In the sale all young people registering for Non-Themed packs will get 30% off. There are no discounts for Themed packs which are already heavily discounted.

We love seeing the creativity, enthusiasm and hard work that our students put into their Awards, and we look forward to celebrating more of their wonderful achievements in next month's newsletter.

All the best
